多数決

2020年11月3日に、アメリカ大統領選挙が行われた。民主党の大統領候補は、ジョー・バイデン。共和党の大統領候補は、ドナルド・トランプ。12月14日に選挙人による選挙が行われ、バイデンが当選した。2021年1月6日連邦議会でバイデンの当選が最終確定した。1月20日に、大統領就任式が行われた。

今回の大統領選挙において、不正選挙があったのではないかとこの疑惑があったが、結果的には、不正を明らかにすることができなかった。アメリカ国民にとっては、納得のいく選挙とは言い難いだろう。

そこで、選挙の勝敗を決めるのは、多数決原理です。多数決というのは、明らかに、数字によって示されるものです。一人の選挙人の投票に対応して、一票がカウントされる。現在、このカウントは、コンピューターによってなされている。ということは、コンピューターが、介入するために、何らかの不正が起きても、不正の解明はかなり困難と言える。

したがって、今後、コンピューターを使った選挙においては、不正が起きる可能性は大きいといえる。だが、今のところその他の方法は見いだせていない。国民にとっては、不正がないことを祈るだけとなる。

A voice of Yahweh

Yahweh whispers into an ear of people living for justice, “Light of Checkmate shine.”
The light of Yahweh surrounds the earth. The hypocrisy collapses and leaves. The human lives together and becomes the light of Yahweh. The victory of the justice in the United States is imminent. Surely a change happens in the Japanese Government of the follower of the Communist China Mafia. With justice and courage, everybody will live.

The Japanese Prime Minister is a follower of the Communist China Mafia. The Communist China Mafia lies hidden in the basements of the world. The fight with devil continues forever. The all-out attack to Japanese by the Communist China Mafia begins. The nation needs readiness in conflict with a nation. The enemy of the nation is a nation. The Japanese enemy is a nation. The enemy of the Japanese citizen is a Japanese nation invaded by Communist China Mafia.

The Japanese is a race to believe a nation. The Japanese Government was invaded by Communist China Mafia. The Japanese citizen unites and must fight against the government. Japan will become the territory of China in the near future. In addition, the Japanese become a minority race similar to an Uigru people. If Communist China Mafia holds the real power of the U.S. force, the world rule of the Communist China Mafia continues forever.

The justice is surrounded by foes. But the Japanese justice and intelligence are superior to military power. A Japanese supporting the President of the justice is savior relieving the human.

The U.S. forces protect a U.S. military base, but do not relieve Japanese. The Japanese Government has been already invaded by Communist China Mafia. It is a Japanese that fights against Communist China Mafia. Communist China Mafia has good outside. Therefore, the Japanese is deceived. And the Japanese citizen does not know it.

4

If Communist China Mafia rules over the United States, Japan is completely ruled over,too. Japan becomes the territory of China. The Japanese race becomes the endangered species. The President of the justice is exposed to crises of the assassination. The U.S. forces cannot intervene in election. The democracy comes true by decision by majority. In the present age, AI creates democracy.

The President of the justice is the world President. The world justice must support the President of the justice. Yahweh never forgives the unconstitutional President. The messenger of the justice must never permit the media destroying justice. The messenger of the justice unites and must fight against the devil. Yahweh promotes self-surrender to the people who participated in rigged election. Yahweh accepts all people.

5

A lot of followers of the Communist China Mafia are in Japan. The Japanese should doubt more politicians. It is not only the American nation that elects the American President. Without the support of all humankind, it is not approved as the President of the United States. In other words, the President securing justice and freedom of the United States is the world President. The messengers of the justice throw out the President of the devil by all means from the face of the Earth.

It is not only the American nation that elects the American President. Without the support of all humankind, it is not approved as the President of the United States. In other words, the President securing justice and freedom of the United States is the world President. The messengers of the justice throw out the President of the devil by all

means from the face of the Earth. The Japanese support to the President of the justice will be to become the big driving force to realize world justice and freedom. A lot of excellent You Tubes are in Japan. The expectation to Japan just increases.

6

Japan is attacked by Communist China Mafia, and the Japanese is endangered. More Japanese citizens should look Japanese reality in the face. The Japanese citizen must not depend on the U.S. forces. A policy of the Japanese Government is a policy of the communism. The Japanese Government is going to convert democratic Japan into the communist state. The Japanese citizen must fight against the Japanese Government and Communist China Mafia.

Communist China Mafia is immortal. The Communist China Mafia will fight against White Mafia forever. Yahweh gives light to the human, but does not give happiness. It is justice of the human that creates happiness. Therefore the justice of the human must fight against the devil forever. The fate of the Japanese race approaches in front. Waking! Rise to action and unite!

A Japanese citizen is interested in White Mafia, but is indifferent to collapse of Japan. A really strange race. The Japanese will have a complex of white. From 2021, the head office of the Japanese branch is the Chinese head office. The policy of the Chinese head office performs Japanese large-scale restructuring. In addition, the future adoption gives priority to a Chinese.

7

Are management policies of the Chinese head office realized? Probably the popularization of the electric car will fail. An electromagnetic wave released by battery brings a health hazard. This becomes the global problem. Therefore the superiority of the gasoline-powered car will be realized again.

More than 10,000,000 Chinese will emigrate in the near future. And more than 10,000,000 Japanese are driven to suicide. The Japanese Government has been already threaded by Communist China Mafia. If a Japanese does not fight against the government and Communist China Mafia, the Japanese become extinct. The Communist China Mafia buys the Japanese county. Furthermore, they are going to destroy economy, culture, education, history, morality of Japan. Japan will become the territory of China in the near future, and the Japanese will become a minority race in China. The Japanese will become the endangered species like the Ainu.

tion of B is assassination by T supporters in the world. T is considered to be the leader of criminal group worldwide. T loses social power and economical power if it can happen. In addition, it will become the excuse of the Texas attack by the federal government. Then, I try to think about the case that T was assassinated. T destroyed democracy. The media reports that he committed suicide to compensate for the crime. Furthermore, media reports that B makes the United States the nation of the equality in the world.

In the space, the expansion and reduction are taking place at the same time. The limitedness contains infinity, and the infinity contains limitedness. The action and reaction happen at the same time. Analysis and the accumulation are carried out at the same time. A real number and imaginary number exist at the same time. When you define the good, you will define the evil at the same time. When you define the face, you will define the back at the same time. When love is born, hatred is born at the same time. Religion and the science are ideological drugs both.

The justice is realized by the armaments. The counterattack of the U.S. forces to the Democracy Party is essential so that the President of the justice continues being the American President. It must make war on China by all means to win the war industry over to the side. It will show American justice in the world to show the fighting power of the U.S. forces. In addition, the United States will show to the world that it is a world peace officer.

The president of the justice became the last President of United States America. And the United States which lost holy water became the wasteland which lost the fresh green. In the wasteland surround in darkness, the huge rock of the devil soared towards the sky. The light of line fore up space suddenly and bloomed. A blade of the ice poured into the wasteland then from the heavens.

The huge rock of the devil raised the explosion which echoed to an end of the space and was destroyed into pieces. Yahweh which watched the earth called him together. And Yahweh granted influence and new words to the him. He who came back to the ground as the messenger of Yahweh lets the wasteland have holy water, and he will bring a crop on the earth. The human will shed tears of influence of Yahweh then.

.

The United States of America of the constitutional state collapsed. And the Communist China Unites States of the devil who put on a mask of the justice was born newly. In addition, Communist China Japan will be born in the near future. A black and an Asian will rule over the United States in the near future. In addition, the white will become the endangered species. The U.S. forces which are a world peace office follow the President of the Justice. The U.S. forces which are a world peace office belong to the United States forever. The U.S. forces completely smash up Communist China Mafia to keep freedom of the human.

If the devil has intelligence and the military power, evil expels justice. Therefore, the justice person must have intelligence and the military power that are higher than the thing which the devil has. A lot of messengers of the justice are in Japan. The world expects their future achievement. The intelligence of the devil is developed more and more. Many good people are deceived by them and will do euthanasia in future. The Japanese citizen who does not like fights believes the government, media and a doctor obediently. Probably the Japanese citizen will make euthanasia with a drug without going to the battlefield.

In domestic each place of Japan, some military bases of the People's Liberation Army will be built in the near future. The Communist China Mafia massacres an Uygur person and Tibetan. All the countries of the world should know this fact. Japan must not be coaxed on a mask of the justice of the Communist China Mafia. A large quantity of Chinese will enter Japan in the future. They are soldiers of the People's Liberation Army. In Canada, there are hundreds of thousands of soldiers of the People's Liberation Army. The Japanese Government should be cautious of China more than now.

If you believe science, the science becomes the religion. There are a lot of clowns of the the justice all over the world. The devil exists, but the justice person is religious existence. Therefore, the person continues having a dream until die. Japan became the colony of the liberalism United States after World War II and obtained happiness. The Japanese will become the endangered species in future if Japan becomes the colony of China. Therefore, a necessary condition for Japan to continue is to continue using the U.S. forces.

The assassination named the death by accident is daily occurrence. The world is full of the devils. It is very difficult for a good person to live long. I want to leave Japanese culture, history, education, nature and Japanese forever. The humanity and justice came heartily to the bottom of my heart. I hope that it is played an active part in the health as a samurai of the justice heartily. ” 満開の 艶と香りを 顧みず 仁義の風に
散る大和花 ”by 張陽

The Japanese Prime Minister is not thinking about a policy to relieve Japan. He should cut a stomach immediately if he does not work for the happiness of the Japanese citizen.

COVID-19

The government must not use a polymerase chain reaction test for an examination of virus. Kary Mullis of developer declared it openly. COVID-19 is a feeble cold. Therefore The gene vaccine is unnecessary. On the contrary, it is the harmful drug with the big side effect. Using fear of COVID-19, the government destroys economy, culture, education. COVID-19 is the imaginary disease that a polymerase chain reaction test created. The Communist Chain Mafia destroys the world economy using COVID-19 fear.

The inpatient of COVID-19 is killed with an anti-viral drug by a doctor. The Communist China Mafia wrecks the economy of each country using COVID-19. As a result, poor people increase. The Communist China Mafia uses poor people for money by doing so. Further more, the Communist China Mafia makes them a drug addict and makes a nonresistant slave. The Japanese government is a follower of the Communist China Mafia. The government continues dropping COVID-19 bomb on the whole land of Japan, and the Japan country becomes burnt field.

The government lets a Chinese enter the country in large quantities in strict confidence. This is a nation crime. The cause of the increase of COVID-19 is Chinese entry and polymerase chain reaction test. The government should stop emergency declaration immediately. Between COVID-19 and the restaurant business, there is not the causation at all. The government destroys using COVID-19 fear. The corona virus habitually resides in the body of the person. In other word, the corona virus is not harmful. In addition, a corona cold is feeble.

We must not believe the news of COVID-19 of the media. Let's fight against a nation and the media in unison. Many companies are thereby destroyed. Many poor people commit suicide. But the media does not report it. Vaccine of COVID-19 is gene vaccine. As for the gene vaccine of the companies, enough inspection is not accomplished. Very in danger. The Japanese given an anti-viral drug and gene vaccine to will become extinct in the near future. The Japanese citizen should not obey COVID-19 measures instructions of the Japanese Government. The Japanese Government must not authorize COVID-19 for a designated infectious disease. The case fatality rate of COVID-19 is lower than that of influenza cold.

Communist China Mafia and White Mafia expect the human reduction with the drug. The Japanese given a drug will suddenly decrease in the near future. An anti-viral drug and the gene vaccine are the massacre weapons which are higher than a nuclear weapon. However, the government covered with a mask of the justice uses the drug weapon calmly. And most of nations who believed in the government dies of an unidentified disease.

The Japanese Prime Minister has been already threatened by Communist China Mafia. Therefore, the Japanese citizen must not obey COVID-19 policy by the emergency declaration. Smash up Japanese Government covered with a mask of the justice! As for the gene vaccine of the COVID-19 prevention, enough inspection is not accomplished. It is thought that it is necessary for inspection of the gene vaccine at least for ten years. The gene vaccine may cause abnormality in the human body several years later to cause genetic modification of the human body. A health hazard of the gene vaccine is assumed enough at this stage. Therefore, the Japanese Government must not give gene vaccine to the nation.

The Japanese Government must not give gene vaccine for simple corona cold prevention. On the contrary, for side effect, health many people suffer an unidentified disease. There is not the aggravation of the patient for COVID-19. It is caused by the immune function and underlying disease of the patient. As for the gene vaccine, safety is not guaranteed at this stage. Therefore, it may be said that gene vaccine is a harmful drug. The Japanese is killed with gene vaccine. The Japanese citizen should do an opposition movement for COVID-19 preventive vaccination.
