Kids and fountains

Here is another picture I took on a beautiful spring day. This was such a cute kid that I took a number of pictures of her. Her dad was taking photos too. Actually, almost everyone around the fountain seemed to be taking photos of everyone else. We're all people watchers. The girl was looking at the goldfish in the fountain. I'll bet she'd like a camera too.

Vocabulary

Actually: At the beginning of a sentence, 'actually' means 'this is the situation.'

I'll bet: 'I'll bet' doesn't mean I want to make a wager. 'I'll bet' simply means 'I'm sure of something.' .
