## 子供の最貧国・日本

---

「子供の最貧国・日本～学力・心身・社会に及ぶ諸影響（山野良一著） Children's poorest country, Japan～various impact caused by poverty on children's academic skill, health, and society;  
It says poverty which happened at ones younger days will have bad impact on his later days. Statistic data tells the income gap society tend to put us unstable and crime-infested. The data tells 14,3 percent Japanese children are below poverty line and this is 10th among 26 of developed countries as of year 2000.

## 5 1 歳の左遷からすべては始まった

---

「51歳の左遷からすべては始まった～大逆転のリーダーシップ論」川淵三郎著 : "It all started with demotion transfer when I was 51 ~leadership theory of great reversal" written by Saburo Kawabuchi: He was first Chairman of J-league (Japan professional football league) and known as great contributor for making professional league in Japan. For generation like me, it is not well known that he was good FW player in National team who beat Argentina once in 1964 Tokyo Olympic, with his nickname, Kawabuchi the Arrow. He also had the experience of head coach of national team in the time when no professional team in Japan. Of course he was not pro, then, namely his day job was salaried corporate employee.

This book tells about something like leadership theory which can be told by the man who worked in company organization,

## 私の好きな日本人

---

「私の好きな日本人」石原慎太郎著 : Japanese I am fascinated by.....written by Shintaro Ishihara: Current Governor of Tokyo and also the writer who won the Akutagawa Award. His essays about historical Japanese persons such as Yamato Takeruno mikoto, Taro Okamoto, Nobunaga Oda, Toshimichi Okubo, Takeo Hirose, Ryuichi Yokoyama, Noboru Goto, Hideo Kobayashi, Hajime Okuno and Okinori Kaya. Episode with his high school art teacher Okuno was impressive.
