

Choki the cat

has become
an Angel

Choki the cat has become an Angel

A little kitten was delivered to a home of an illustrator couple.
She was named "Choki" .
The couple and Choki lived happily together for 22 years.

Original draft: Kuroken & maoi

Written by: Kuroken

Illustrated by: Kuroken

Translated by: Satoko (fairlytaleofnewyork and Catduet on You Tube)

The sweet cat, Choki was 22 years old.

22 years old equals to a 104 years old
grandma in human age.

Everyone loved her.

Choki lost her sight because of Glaucoma.

But she coped very well.

Gentle breeze, sweet flowers
They were all

Choki's eyes shined like emerald stones
and were very pretty.

Choki used all her senses instead.

She used her nose, ears and whiskers
when Dad took her for a little walk in a flower field.

and flying butterflies...

Choki's friends.

Choki was very affectionate.

Mom and Dad spoiled her all the time...

They lived very happily together.

Purr, purr, purr...

Mom and Dad loved Choki to bits

and Choki loved Mom and Dad very much.

Purr, purr, purr...

It looked as if these beautiful days

would last forever...

One day Choki passed away...

She left for a new world peacefully
at Mom and Dad at her side.

Choki gave beautiful souvenirs to many people.

“Choki has gone...”

Mom and Dad cried and cried.

Their tears did not stop running.

Suddenly, Choki's soul left from her body,
her soul started floating in the air!
Choki did not feel any pain anymore
and realised that her body was feather light.

Choki stretched herself nicely
and looked at Mom and Dad.

"Mom! Dad! what is the matter with you?"

"Choki is here, Meawww!"

"Why are you crying?"

Choki did not realize that her body was not alive.

Choki wanted them to play with her,

so she approached them very hard,

purring and showed her affection.

But Mom and Dad did not notice her presence.

They continued crying.

Choki started missing Mom and Dad. She cried quietly.

"Mom. Dad. Meawww!"

"Heh, heh!"

"Heh, heh!"

Someone was giggling somewhere.

"Who are you?"

Choki suddenly recognised the voices.

Choki was happy then.

They were her brother and sisters

that had passed away some time before Choki.

"Wow, Goo!" "Hi, Da!" "Is it you, Aiko?"

All 3 Choki's cat brother and sisters

came towards her.

They were smiling.

How happy they were to see Choki back!

"Purrrrrrrrr, purrrrrrrrrrrrrrrrrrr, purrrrrrrrrrrrrrrrrrr,
so happy to see you back!"

They washed each other's face,
rubbed and cuddled each other,
played around together...

Their greetings carried on for a long time.

"OK then, let's go!" said Goo.

"What?, Where are we going?"

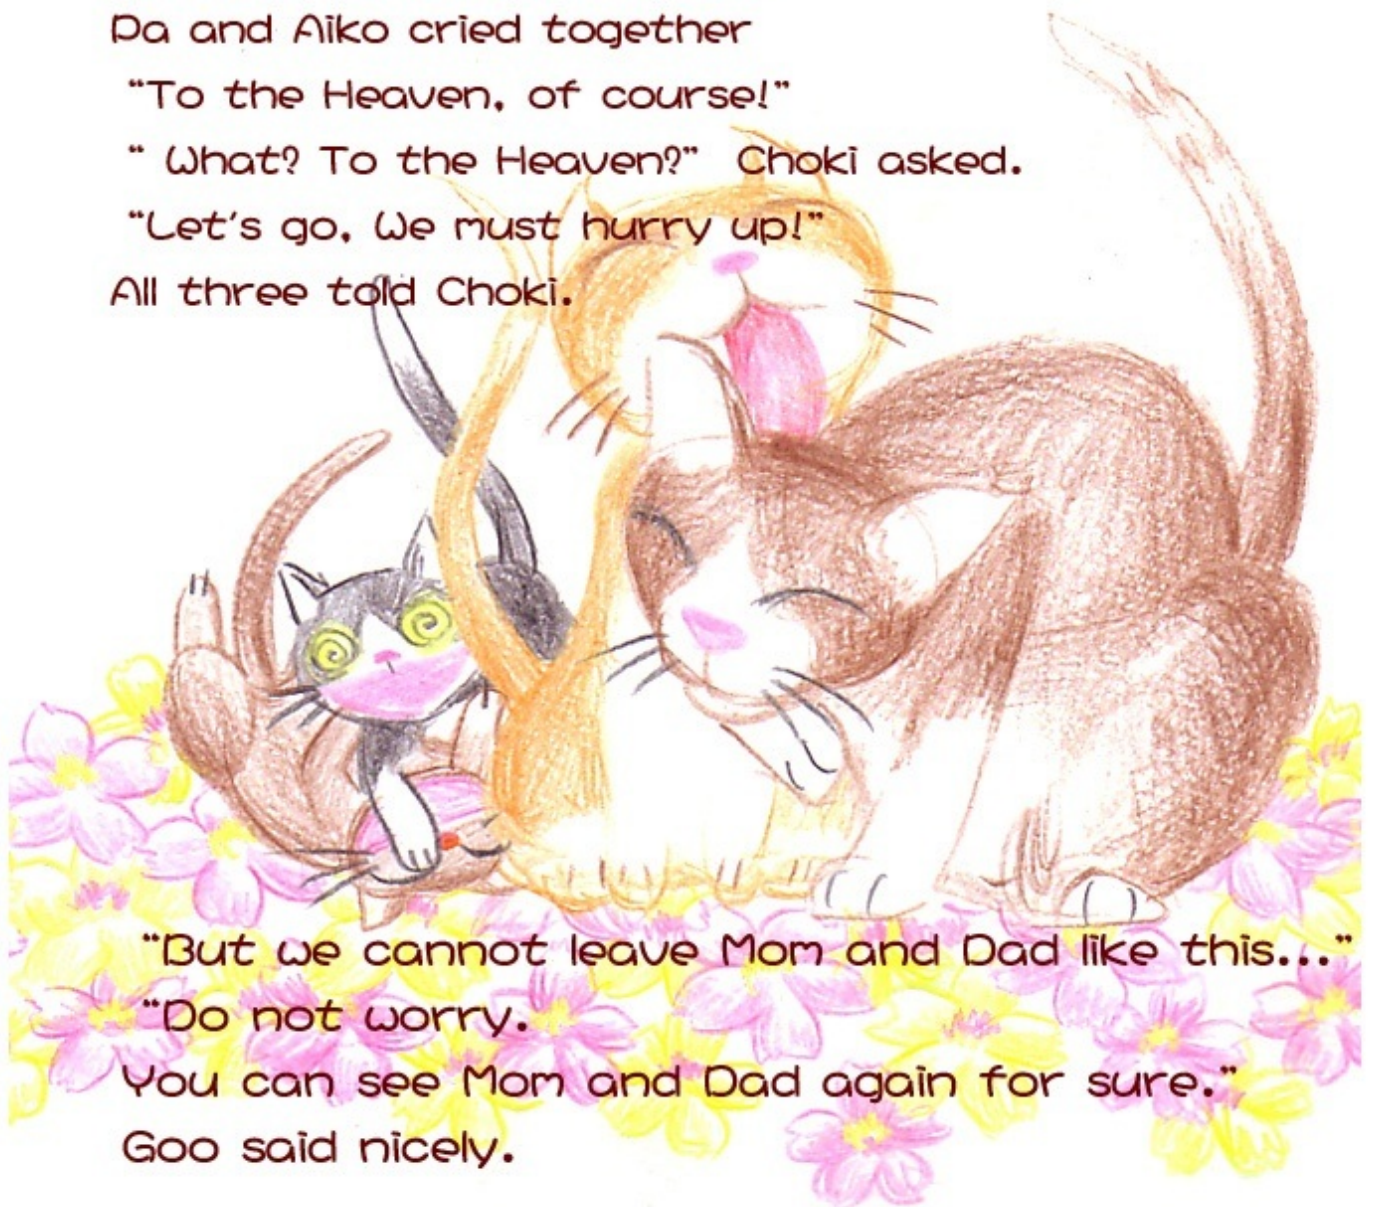

Da and Aiko cried together

"To the Heaven, of course!"

"What? To the Heaven?" Choki asked.

"Let's go, We must hurry up!"

All three told Choki.

"But we cannot leave Mom and Dad like this..."

"Do not worry.

You can see Mom and Dad again for sure."

Goo said nicely.

Wow!

Choki tried to get up and then realised that she weighed nothing.

She felt very light.

She noticed that she floated like a feather.

"Yippee! Let's go to Heaven all together!"

Da was very happy.

Choki started to feel at ease and happy.

"OK, Let's go!"

Yippee!

Goo, Choki, Da and Aiko
floated in the air ,
flew over towns, passed over mountains,
flew up and up and up into the sky.

Yeah!

Everyone was so happy
and laughing.
4 happy cats were flying
very very high into the sky.

After having flown through clouds,
the cats arrived at a lovely place.

The smell of the clouds were very sweet,
just like candy floss.

Choki's three brothers were jumping around from joy.

The gentle breeze blew throughout the place.

Choki looked around and noticed that lots of cat gods
and goddesses welcomed her.

Choki felt at ease in the new place and was grateful
for their warm welcome.

"Hello Choki!"

"We have heard a lot about you."

"Welcome."

"Well done to your previous life."

"You did very well."

Very warm and thoughtful messages
were given to Choki.

It was wonderful.

"Am I in Heaven?"
"Yes, you are."
"Very nice, wow!"
"It is a wonderful place, you know."
Everything was new to Choki.
She looked around with amazement.

All of sudden, a sound of lovely music
came from somewhere.

"Choki, let's dance!"
"What?"
"We have to dance."
"Yeah, we dance here."
"Yippie, let's dance!"
"Yeah, let's party!"

Cha-cha-cha-cha
Cha-cha-cha-cha

Everyone was
laughing and
enjoying 
the wonderful
music.

Cha-cha-cha-cha
 Cha-cha-cha-cha

"You see, Choki"

cha-cha-cha-cha

cha-cha-cha-cha

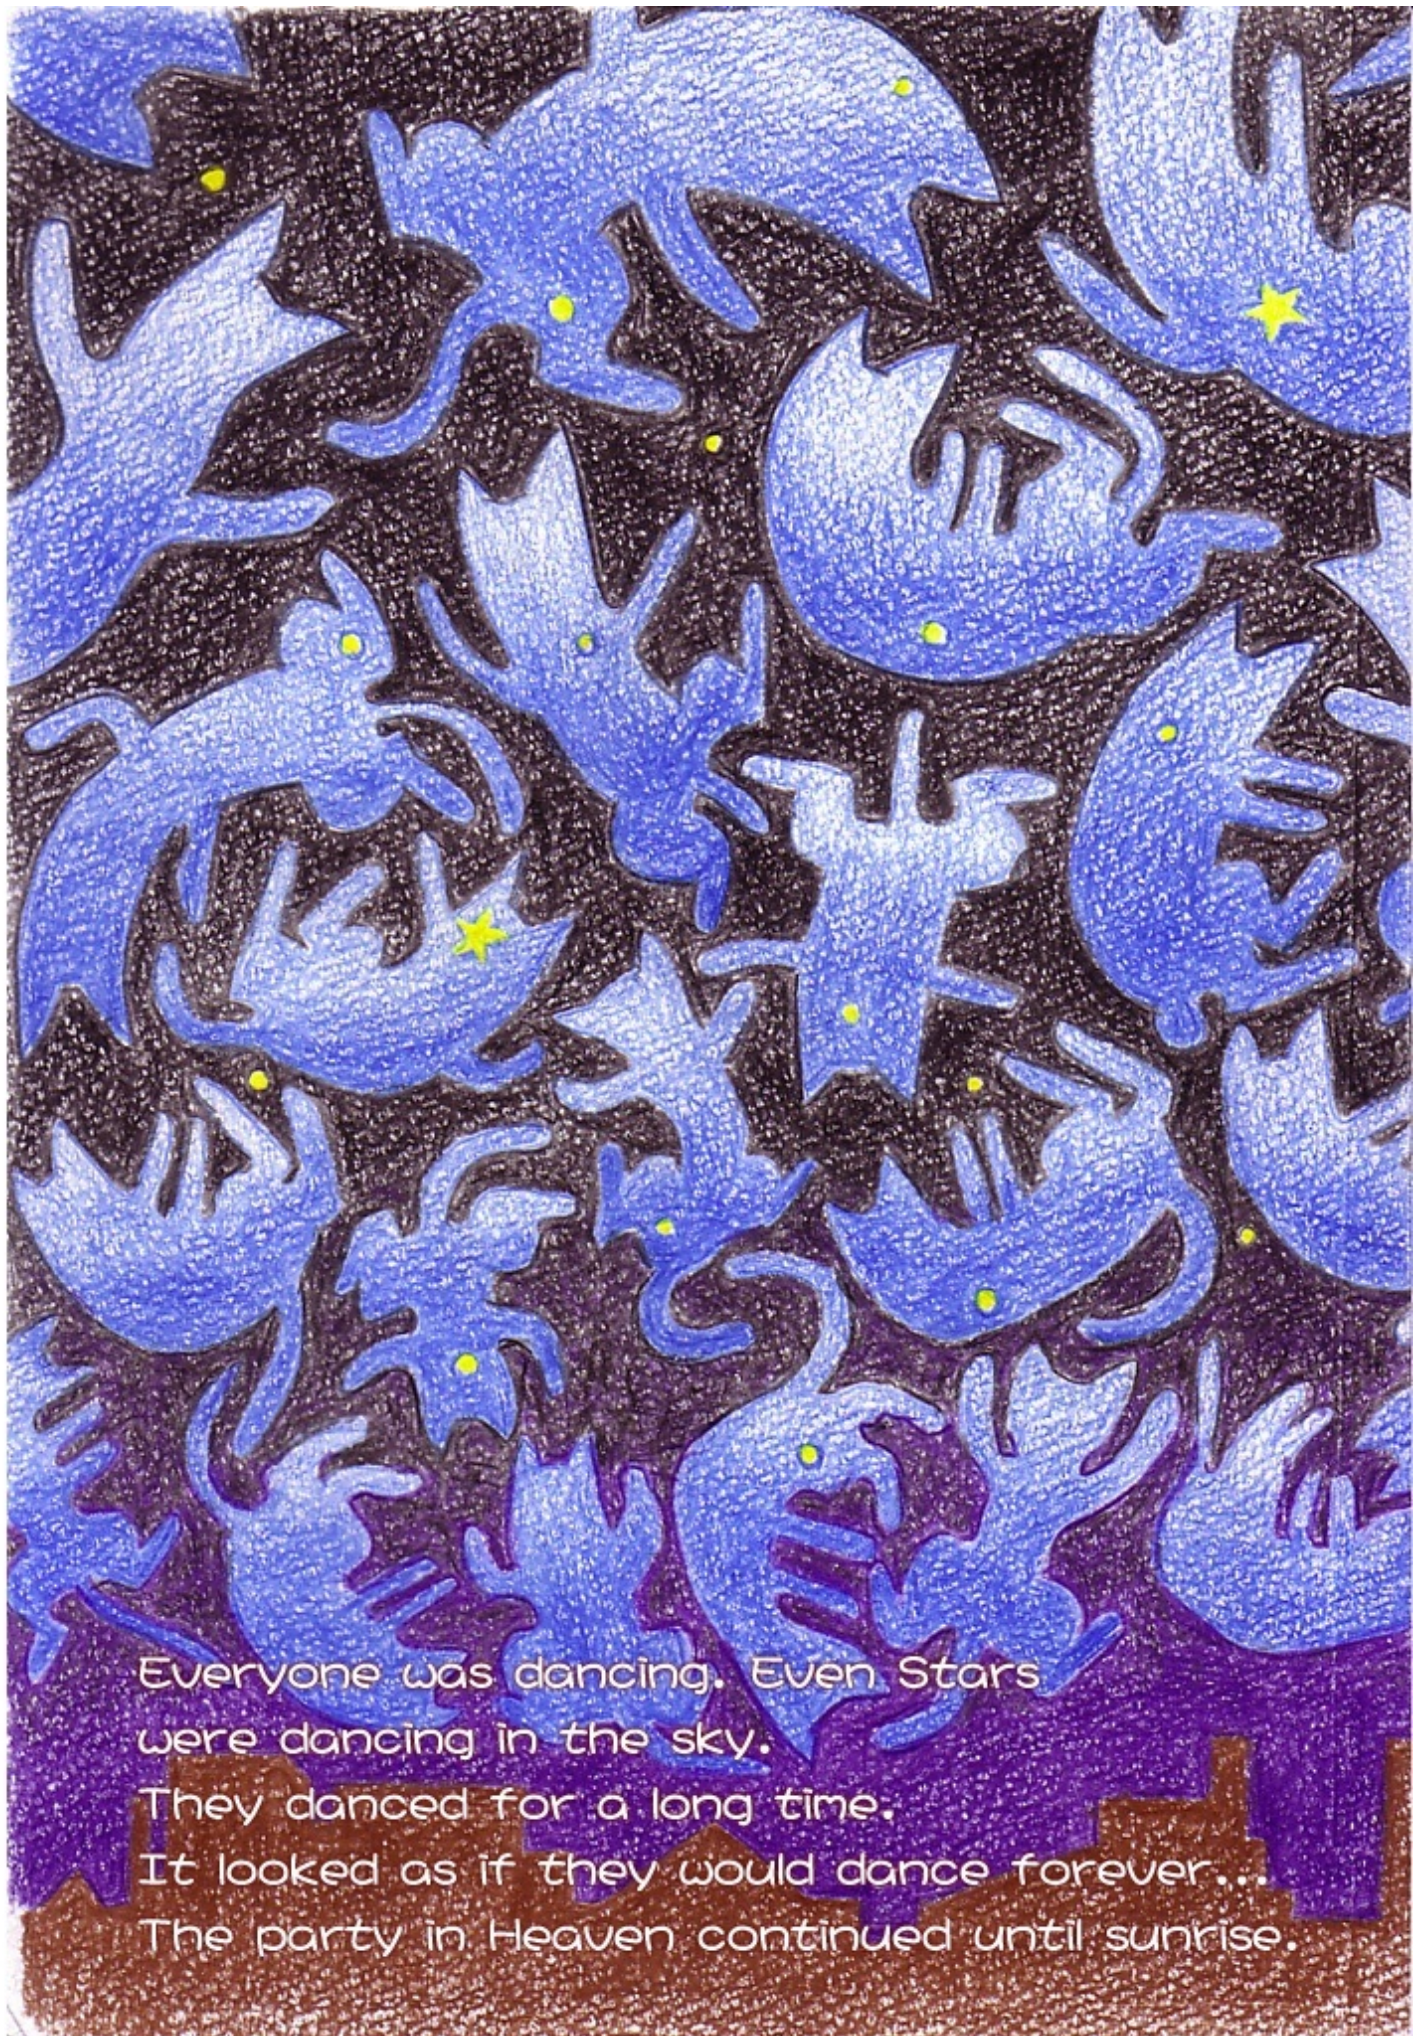

Choki began to dance.
She realised that
she knew
the steps and
could dance well.
All the cats
enjoyed dancing.
They were
all laughing.

cha-cha-cha-cha

cha-cha-cha-cha

"Do you like it?"
"Yes!"

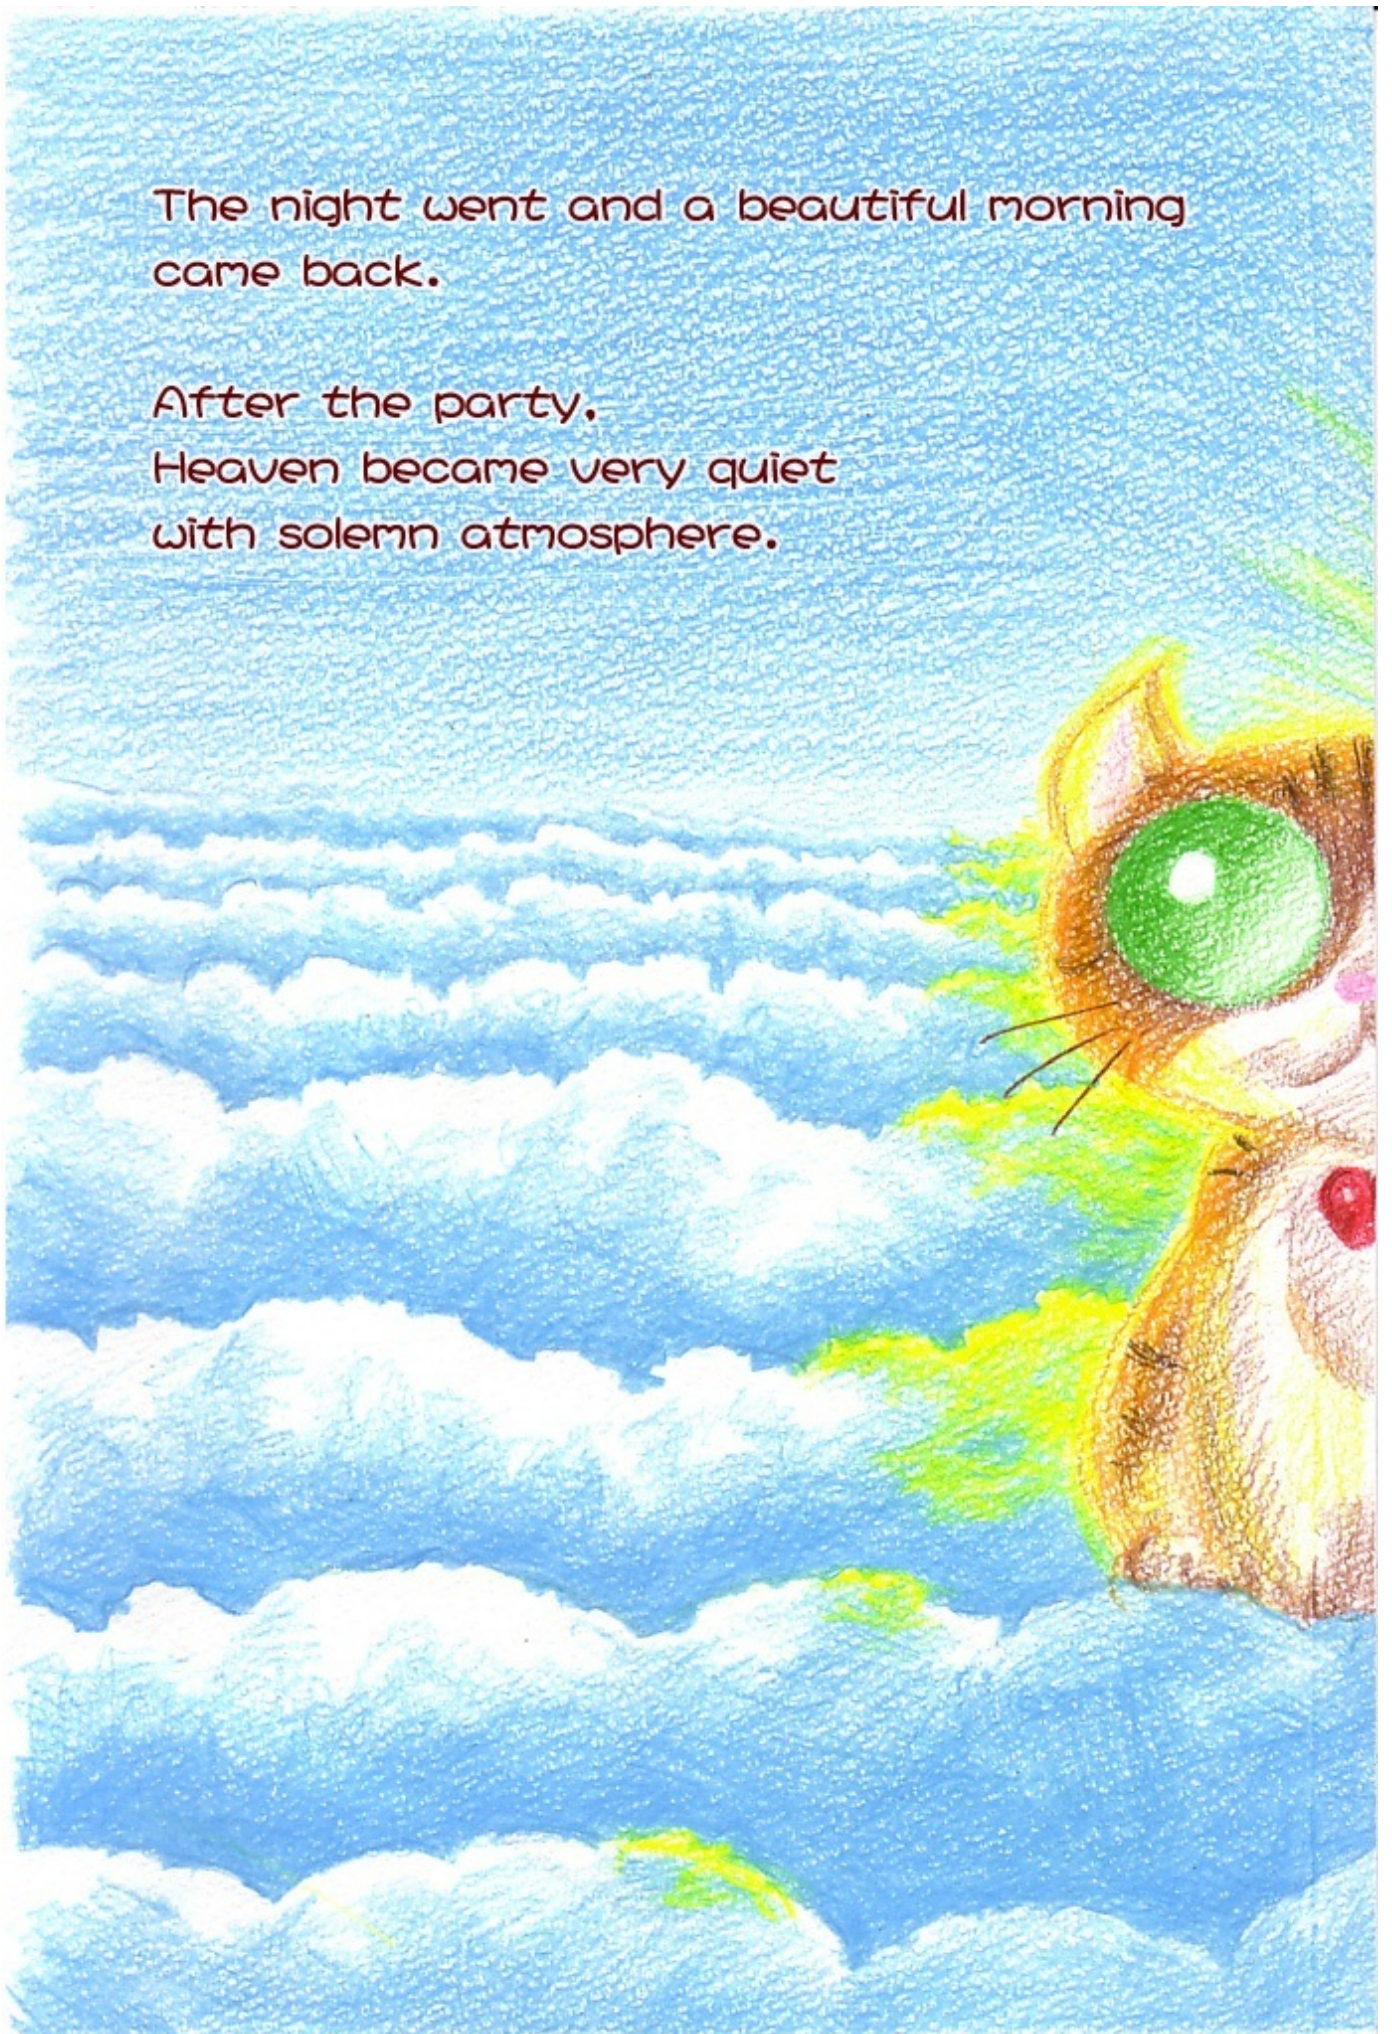

Everyone was dancing. Even Stars
were dancing in the sky.
They danced for a long time.
It looked as if they would dance forever...
The party in Heaven continued until sunrise.

The cats danced and prayed for their
Moms and Dads to feel at ease
and to stop crying.

The night went and a beautiful morning
came back.

After the party,
Heaven became very quiet
with solemn atmosphere.

All the cats disappeared
and Choki was on a cloud on of her own.

"Choki"

Choki heard a voice that came out through the glare of Sunrise. There was a stunningly beautiful Cat goddess.

"Well done, you lived long and very well." Choki could not believe her eyes. The goddess was sublime and incredibly beautiful.

"You lived many cat lives and now you have reached total of a 300 years of cat life."

"Yes."

"The cat who had 300 years of cat life is appointed to be a Cat Angel."

"A Cat Angel?"

"Look, your wings are coming up.
Have a look at your back."
Choki noticed a pair of
little pretty wings on her back.

"Wow, amazing"
"How wonderful!"
Choki used her wings
and flew around.

"Choki"

"Yes."

"You are a Cat Angel from today."

"....."

"You are appointed to perform
a very important task."

Choki realised that there were a lot of bags
with baby kittens in front of her.

"Your task is to deliver these kittens to
their future Moms and Dads."

"Yes."

Choki understood the importance
of this task instantly.

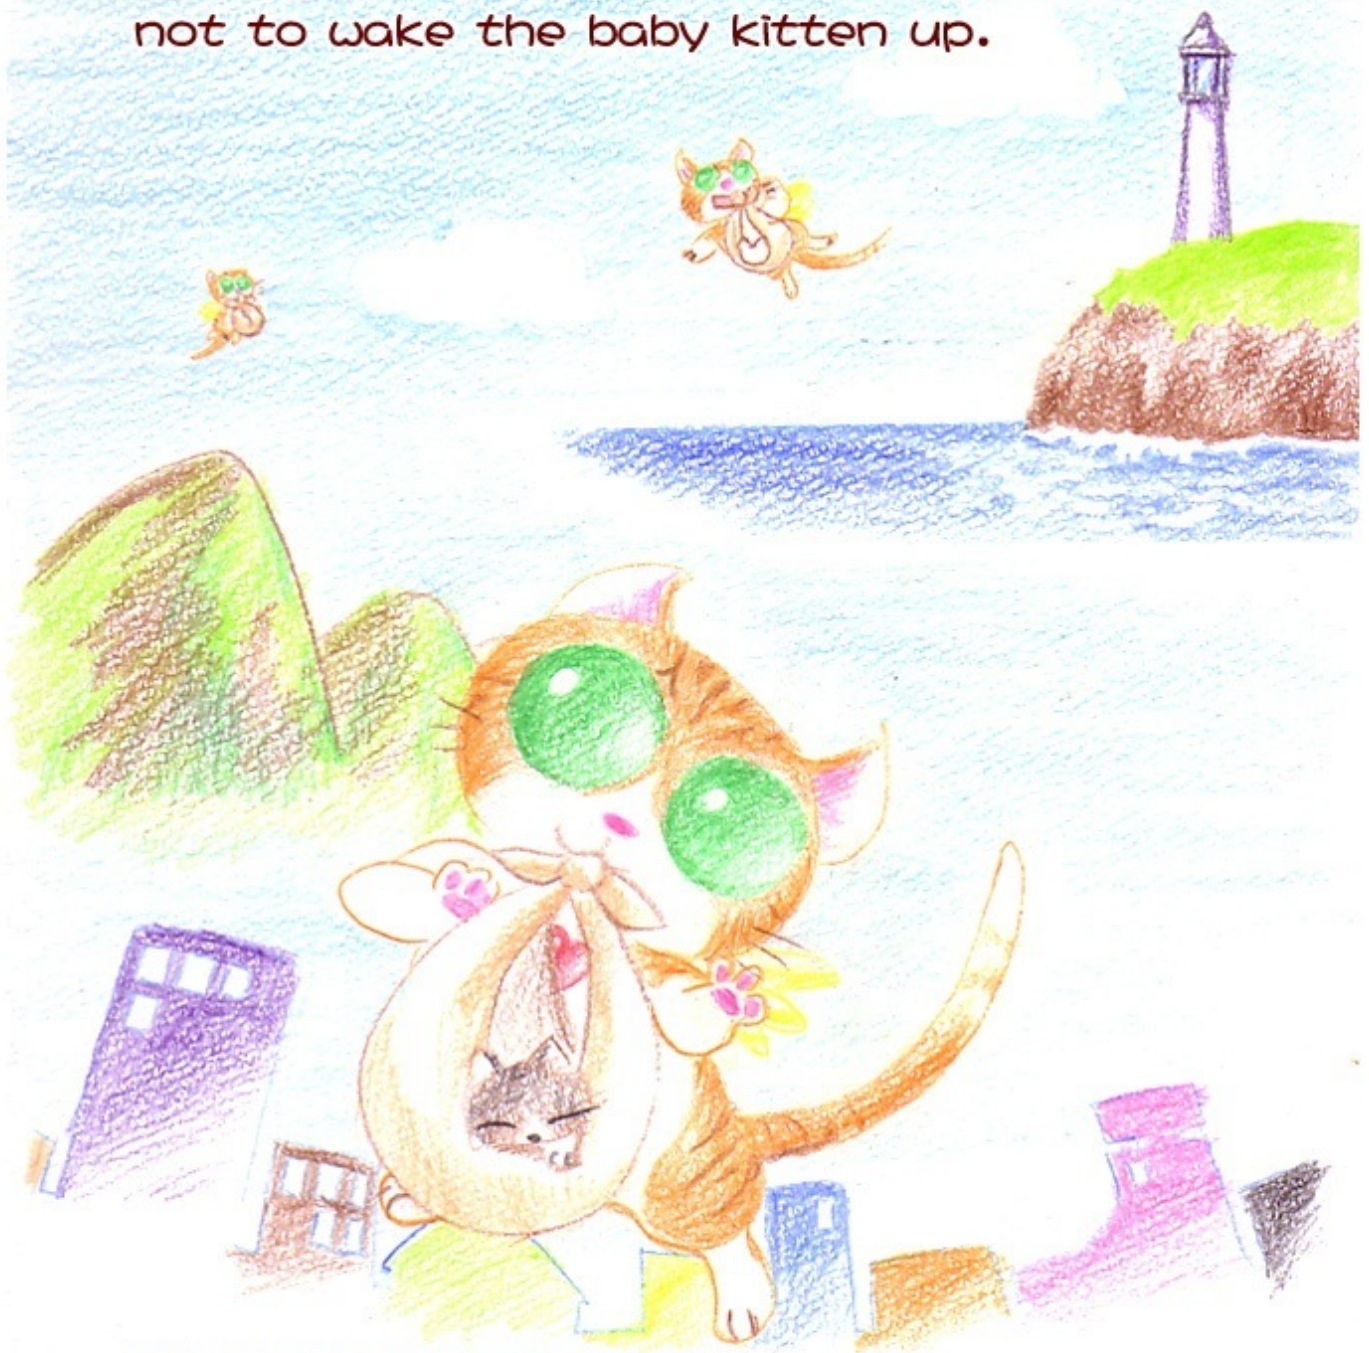

“Good luck!”

The kittens were very cute and sleeping peacefully.
These kittens were in a cue to be born soon.
Choki picked up the first bag
from the cue and soared in the sky.

As Choki a novice angel,
she paid a lot of attention
not to wake the baby kitten up.

Choki flew over mountains,
oceans and towns that she had never seen
before in order to deliver the baby kitten.
She knew the destination.
Choki flew in the beautiful sky
slowly towards her destination.

Choki traveled for a long time and arrived
at an elderly couple's home
in a small village in the mountains.

A pregnant Mother cat lived in the house.

"You will be born in this house."

"Look at your mother, she looks lovely."

The baby kitten was relieved and had a big yawn.

Soon, the baby kitten was born.

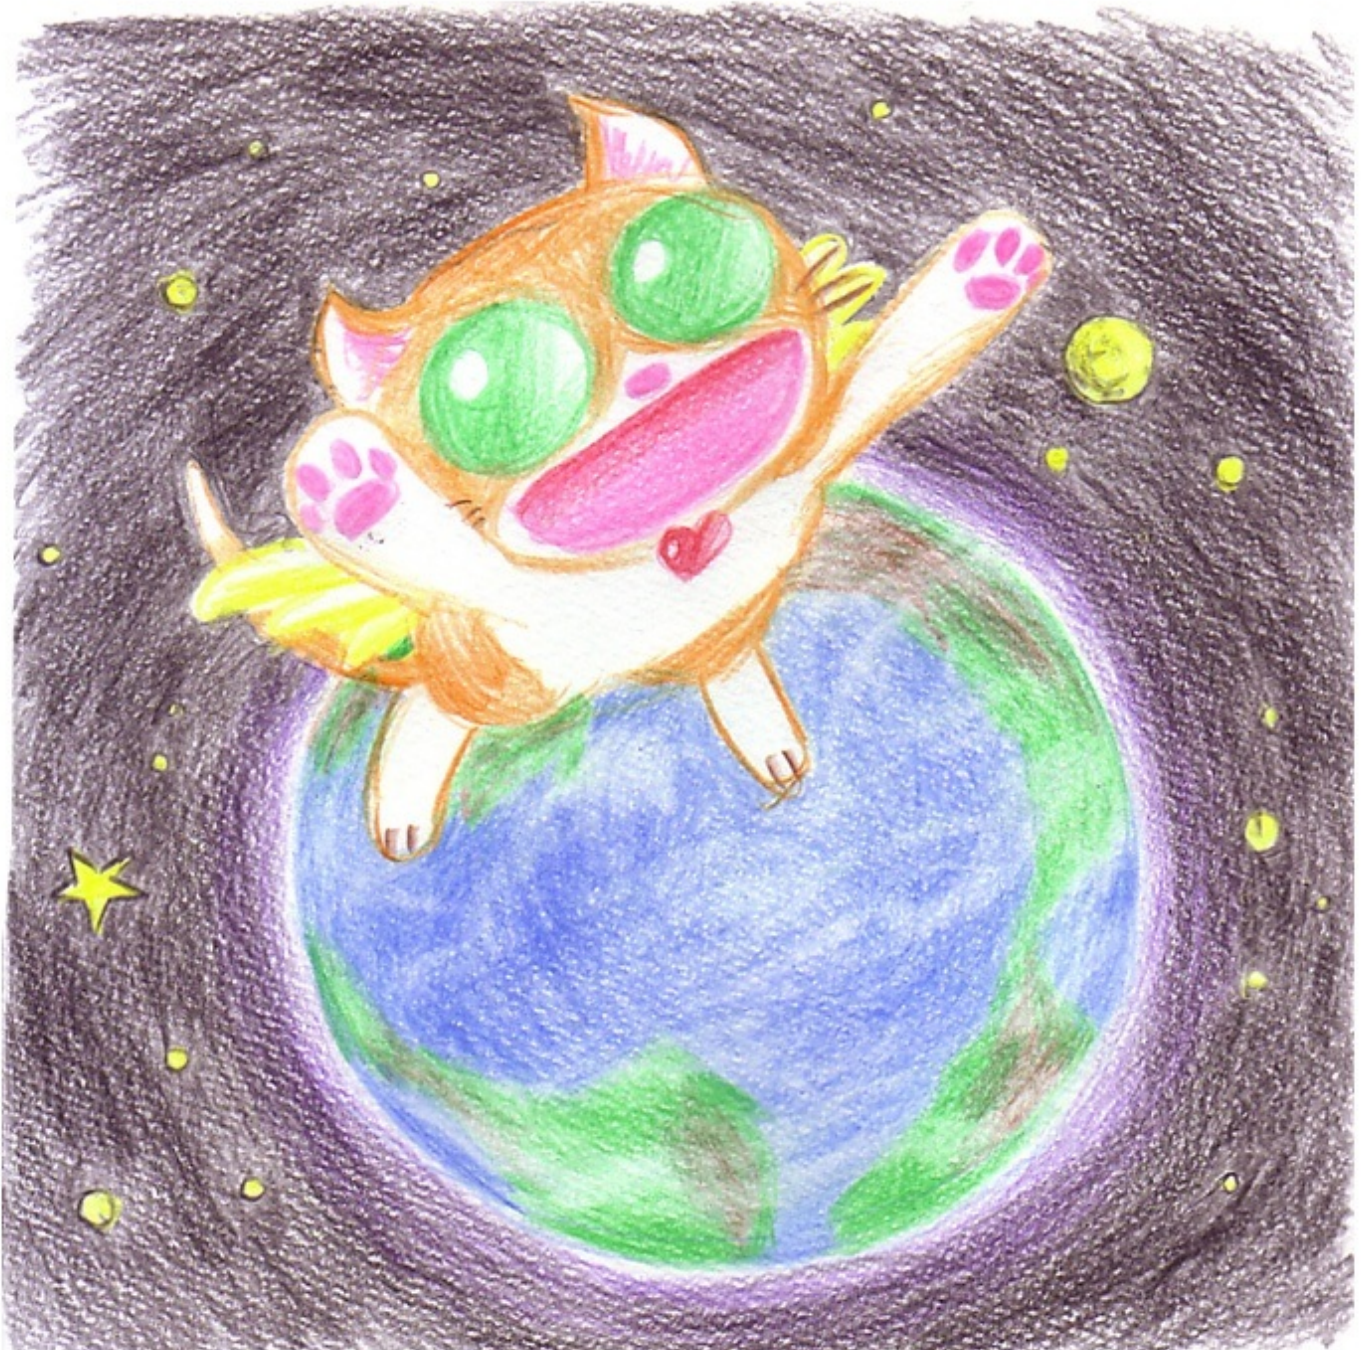

He would be much loved by his lovely mother cat.

When the elderly couple realised the kitten's birth, they rewarded nice food to the mother cat.

Choki was relieved to see the family very happy.

Choki left from the little home
where the lovely kitten was born.
She flew into the sky.

Choki smiled because she was so happy.
How rewarding!
“How nice to be a Cat Angel! How rewarding!”
Choki thought.

A child's drawing of a cat's face, looking upwards. The cat has orange fur, large green eyes with white pupils, and pink inner ears. The background is a dark, textured grey representing space, with several small yellow stars and a central blue and green Earth. The text is written in a simple, hand-drawn font across the middle of the image.

Suddenly Choki thought
of her own mom and dad.

"I wonder how mom and dad are. "
"Oh, How much I want to see them!"
" Well, I am going to have a look,
then, meawww !"

Choki flew very fast towards her own home.

Choki arrived at her home
and peeped inside through the window.
Her beautiful memories and days
came back into her mind.

"Mom, Dad I am back, Choki is back!
Meawwwwwww!"

Choki was so happy to see them back.
She called them and said hello many times.

But Mom and Dad were simply crying.
They were thinking of the loss of Choki.

" Mom! Dad! Choki is here! Meaw!"

"I am back, Meawwww!"

"How are you?"

"Mom! Dad! Durrrrrrrrrrrrrr!"

Mom and Dad did not appear to have noticed Choki.

Mom and Dad were crying for a long long time.

"Choki, It is in vain..."

"What?"

Goo, Da and Aiko were there!
They had left Choki in the heaven.

"You are all here, meaww!"

"Miaaw!

We come here very often."

"But Mom and Dad do not realise
that we are here."

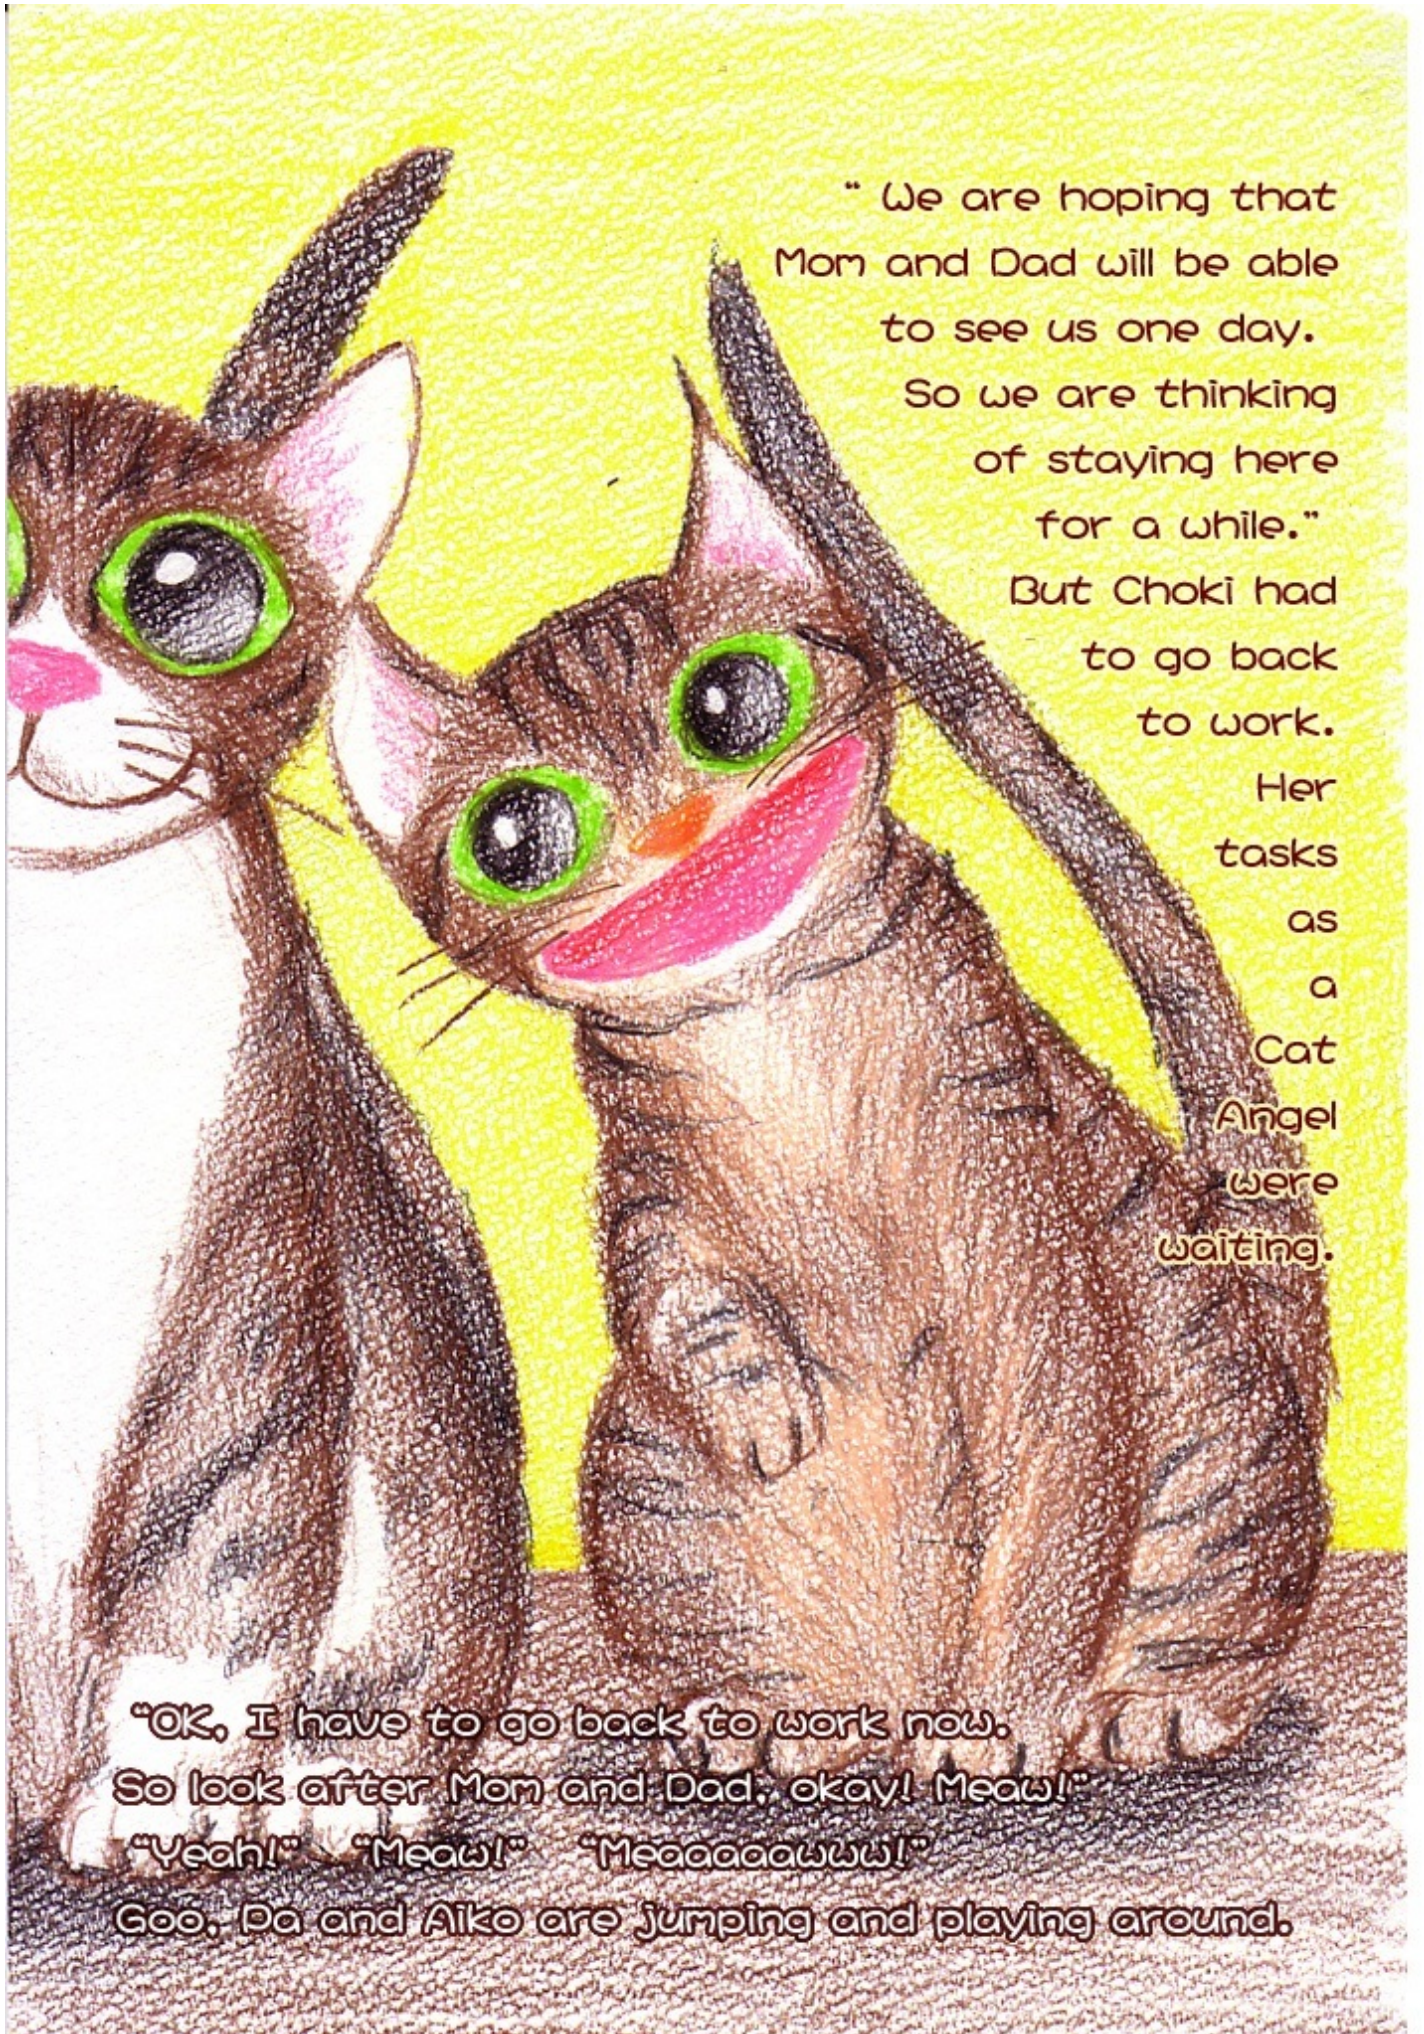

"What? You mean that
they cannot
see us?"

"No, apparently we are still novice
and need more practice.

"Really..."

Choki was a little bit disappointed.

" We are hoping that Mom and Dad will be able to see us one day.

So we are thinking of staying here for a while."

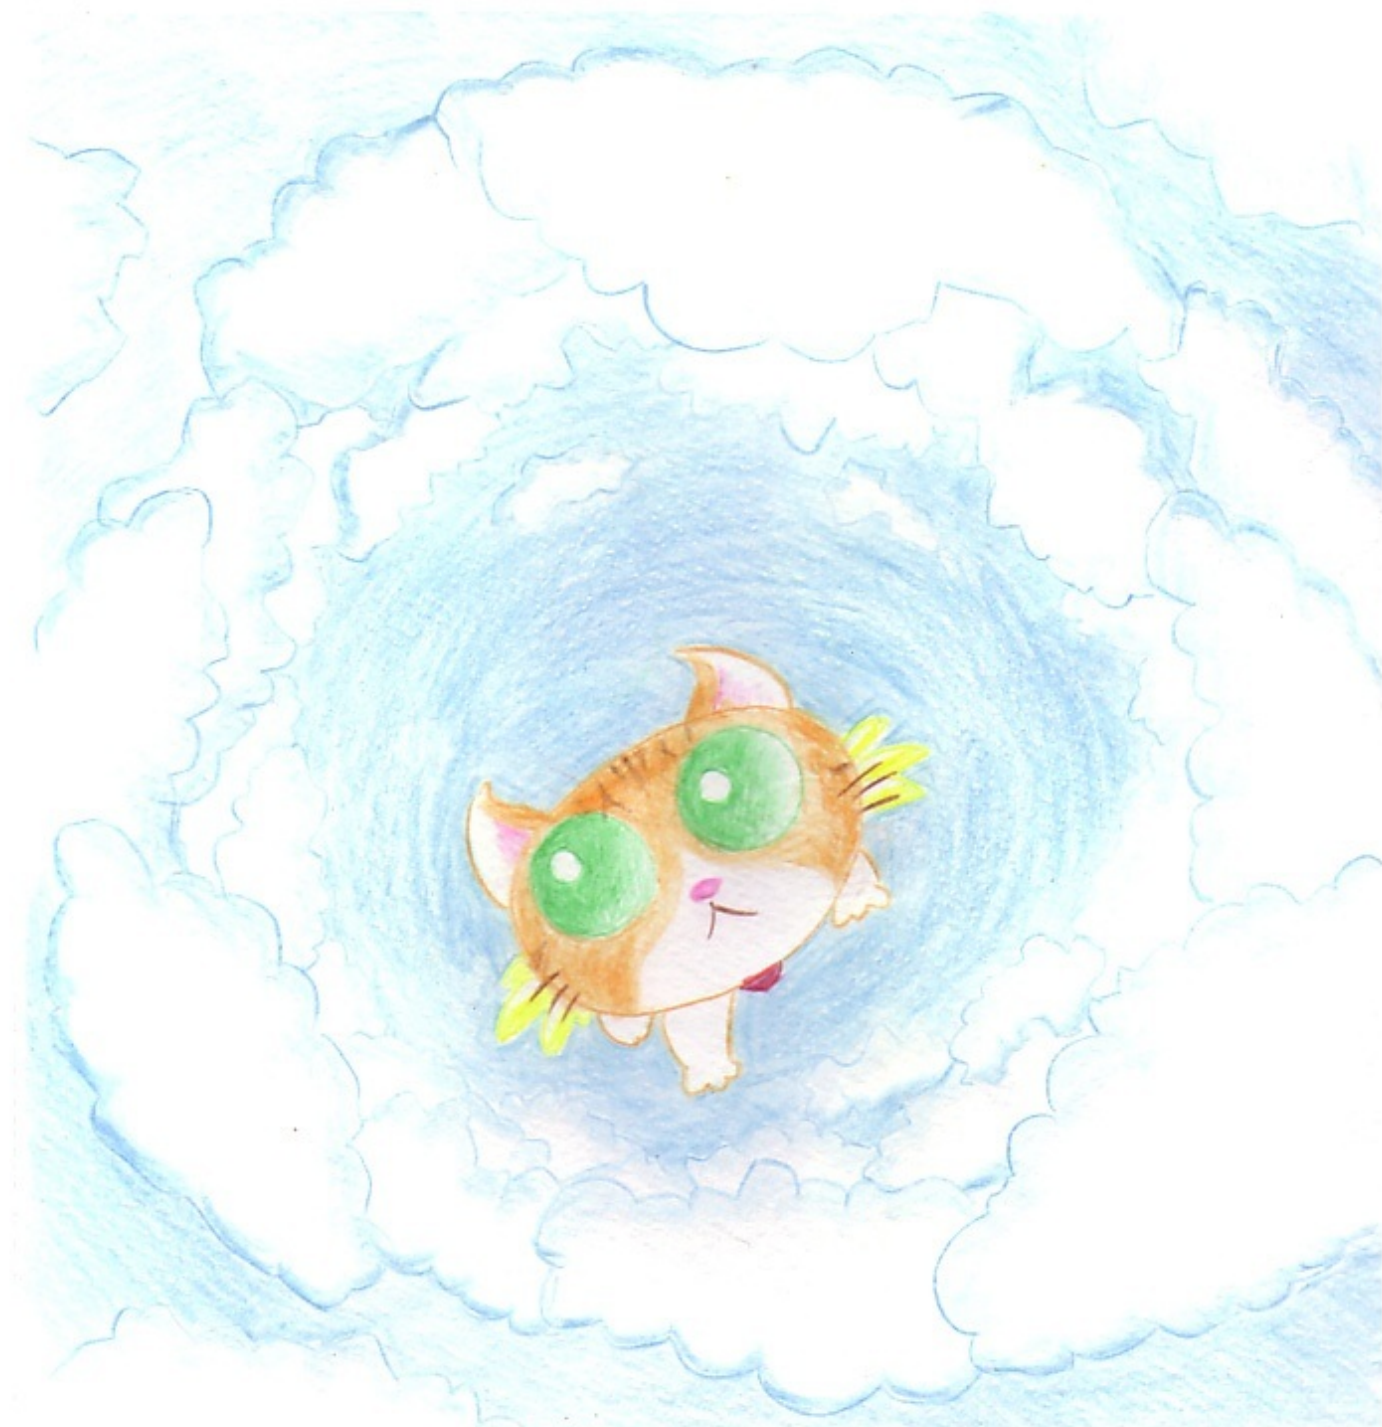

But Choki had to go back to work.

Her tasks as a Cat Angel were waiting.

"OK, I have to go back to work now. So look after Mom and Dad, okay! Meow!"

"Yeah!" "Meow!" "Meooooowww!"

Goó, Pa and Aiko are jumping and playing around.

Choki was homesick and feeling melancholic. But her important task as a Cat Angel was waiting for her. She must deliver cute baby kittens to future Mom and Dad around the world. Choki flapped her angel wings and rushed into Heaven.

In Heaven, plenty of baby kittens
are waiting for their
turn to be delivered to their new home.

“Who is next, kittens?”

Choki approached to the baby kitten bags.
All of sudden she found a cute kitten
who got out from his bag and wondering about.

“What is the matter? You have to be in a cue.
If not, you will not be delivered to your new home.
It was a very cute tabby kitten.

" Well, Meaw!"

"I want to go back to my previous Mom and Dad' s home, my old home..."

The kitten told Choki.

The kitten' s eyes were beaming with enthusiasm.

"OK then."

"A little problem, though. To go to that home, your coat and pattern needs to be different."

"Are you OK with a black coat?"

"Meaaaw!"

"Okay, then.

Can you go to the back of the cue, please?,

Well done!"

Choki "the cat angel" has a very busy life. She delivers many baby kittens to new moms and dads. She needs to travel to very cold countries in the North or to tropical islands etc.

Now it is the black baby kitten's turn.

"Hi, boy!"

"You have been a very good boy, well done."

"Let's go!"

"Yippie, Meaaaaaw!"

Choki soared with the black kitten.
Their destination is Japan.

"Hold me tight"
"Meaw!"

The angel Choki's work is very important.
She delivers precious lives
to Dads and Moms in the world.

"Choki has become
a wonderful angel."
The cat goddess saw
Choki off with a beautiful smile.
She was very content.

"Meaw, Angel Choki!"

"What is it?"

"Will my mom and dad recognise me?"

"Meaw... you will be fine, I am sure."
