- 5 「Christmas without the star」

「Joy and smile」

The thought makes one flower bloom more than time.
The gentleness pours warm light in the heart of the person.
The sorrow accounts for a chest, with tears full of the reckoning.
The mercy brings all people happiness equally.
To me and you a smile.
While wind rustles among green trees.
All people living in this world feel strong love
and exchange it, and to be connected.

想いは時間を超えて
一輪の花を咲かせる
優しさは人の心に
暖かな光を注ぐ
悲しみは胸をしめつけ
溢れる涙と共に
慈しみは全ての人に
平等に幸せをもたらす
私にもあなたにも微笑みを
緑の木に囲まれて風がそよぐ中
強い愛を
この世界に住む全ての人達が
感じあい 伝え合い
繋がっていくように

「There is not it BABY!」

Because you said, it was assumed that
you liked cool people to stylish hairstyle and clothes.

Because the person that you smoke says that I hate it,
I pocket lemon gum.

Because you say that I hate that a conversation is not
jam-packed, I examine trendy magazine and TV.

Because you said that you wanted to go for a drive,
I took the license and bought a car by a loan.

OH!

However, did you gain weight a little because you were happy?

There is not it.

Does not the ring which I sent enter?

There is not it.

BABY! where there is not it

カッコ良い人が好きと言うから

おしゃれな髪型や服装にした

たばこを吸う人は嫌と言うから

レモンガムをポケットに入れてる

会話がつまらないのは嫌と言うから

流行の雑誌やテレビを調べてる

ドライブに行きたいと言うから

免許をとって車をローンで買った

OH! それなのに君は幸せだから少し太った?

それは無い

だって僕の送った指輪が入らない?

それは無い

それは無いよ BABY!

「Dancing 10」

As for the night before the holiday, a feeling becomes free.
To cocktail one hand which the fruit of the mango was in,
In spite of being a group and the uproar of the circumference,
I take off a tight tie.
And I stamp red leather boots and carve with a step cheerily.
1, 2, 3, 4, 5, 6, 7, 8, 9 dancing 10!
I put you under magic in ten seconds.
3, 2, 1, 0,
I and you fall in love now.
Even if I melt immediately, and, like ice in the cocktail, there is not it.
1, 2, 3, 4, 5, 6, 7, 8, 9, dancing 10!
If I continue dancing in you with me and sweat,
3, 2, 1, 0,
Because depressed moods pass away immediately.
OK, at this place,
you stamp a white low heel right now, and let's dance with me!

休み前の夜は気持ちが自由になる
マンゴーの果実が入ったカクテル片手に
周りの仲間が騒ぐままに
窮屈なネクタイを外して
赤いレザーブーツ踏み鳴らして
陽気にステップを刻むよ
1, 2, 3, 4, 5, 6, 7, 8, 9, ダンシング10!
10秒間で君に魔法をかけたよ
3, 2, 1, 0,
僕と君は今恋に落ちる
たとえカクテルの中の氷みたいに
すぐに溶けて無くなってしまおうとしてもね
1, 2, 3, 4, 5, 6, 7, 8, 9, ダンシング10!
二人で踊り続けて汗を流せば

3, 2, 1, 0,

憂鬱な気分などすぐに消え去ってしまうから

さあ今すぐこの場所で

僕と白いローヒール踏み鳴らして一緒に踊ろう!

「We continue walking today in this world」

The answer becomes only zero if afraid of failure when you are troubled since before having begun it.

The bright person is an excuse to think carefully.

You cannot see the world that

you demand when means of transportation do not advance before.

There will be it a lot if you live for hard thing and sad thing, every day.

But the life is not only a bad card like cards,

you can come across a happy thing and a pleasant thing.

It surely to anyone.

You must kick down the door of a coward heart shutting in you,

Charge to the world that warm solar light lights up.

And though I do not understand

it whether I arrive earlier whether you overtake it on the way.

Until time to be able to meet you sometime at the place of the promise,

We continue walking today in this world.

失敗したらどうしようなんて

始める前から悩んでる時点で答えはゼロにしかない

頭のいい奴は慎重に考えるなんて言い訳さ

足が前に進まない君が求めている世界は見えるはずがない

辛いことや悲しいこと、毎日生きていれば沢山あるだろう

でもトランプのように人生は悪いカードばかりじゃなく

幸せなことや楽しいことにも巡り合える それはきっと誰にでも

君を閉じ込めている臆病な心のドアを蹴破り

暖かい太陽の光が照らす世界へ突き進め

そして僕が先に辿り着くのか 君が途中で追い越してしまうのかは

判らないけど いつの日か約束の場所で出会える時まで

この世界で今日も歩き続けていくのさ

「Christmas without the star」

The invisible night of the star.
In the sky, an intermittent gentle rain is likely.
Of slightly strong night Blowin' in the Wind cafe au lait
An empty can rolls and makes a sound.
A light still sticks to the house which the street is
lined with in several places.
The family gathering over there of the window will talk about what.
In the pocket of the black long coat which I wear
The round small macaroon which I got at a party.
The color of the nose that a reindeer
lights up the road at night as for the red.
The snowy color that the white lays thick on a sacred day.
The color of the roast chicken that the brown was burnt brown.
The color of the tree that the green invites a guest.
The color of the cheeks that she who is tender is bashful as for the pink.
In the world colored by Christmas
Many colors are studded with,
When a hand on the watch advances before long, it is over calmly.
Preferably all people are the other side of the light of the window
Can spend happy time happily.

星の见えない夜更け
空は降ったり止んだりの小雨模様
少し強い夜風に吹かれてミルクコーヒーの
空き缶が転がり音を立てる
通りに立ち並ぶ家はまだ所々で灯りがついている
窓の向こうで集う家族は何を話しているのだろう
僕が着る黒いロングコートのポケットには
パーティーでもらった丸い小さなマカロン
赤はトナカイが夜道を照らすお鼻の色
白は聖なる日に降り積もる雪の色

茶色はこんがり焼けたローストチキンの色
緑はゲストをお迎えするツリーの色
ピンクは優しい彼女がはにかむ頬の色
クリスマスに彩られた世界には
沢山の色が散りばめられ
やがて時計の針が進むと静かに終わる
願わくば全ての人々が窓の灯りの向こうで
楽しく幸せな時を過ごせますように
