

Hi Beebie! What's wrong?

SORA NATSUNO

Beebie the little bear,
got 3 honey cookies from his mom.
"Thanks mom!"
Beebie was very happy.

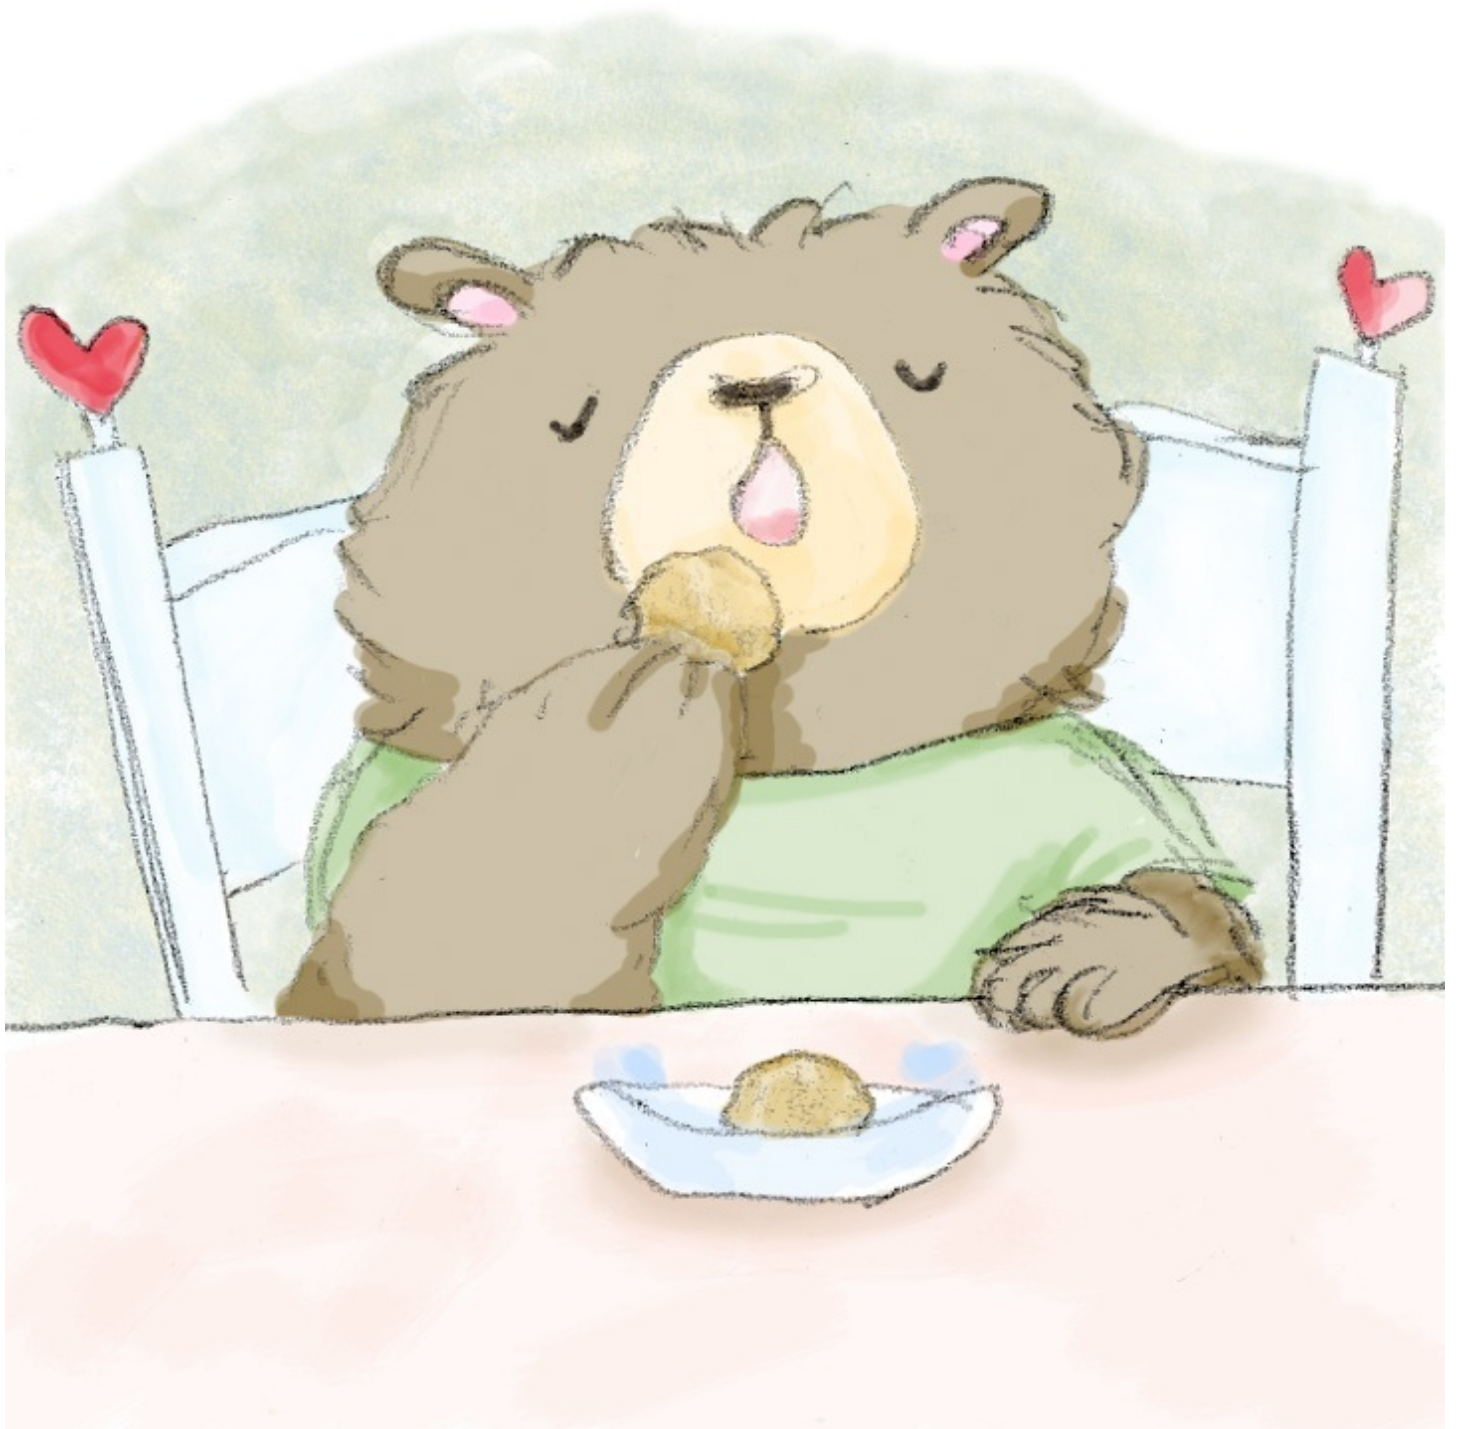

Beebie ate 1 honey cookie.
munch munch...
"Um...This is yummy!"

Beebie looked at his plate.
There were 2 honey cookies.
"I have 2 cookies now."
He felt a little sad.

Beebie ate one more cookie,
because it was so yummy.
munch munch...
"Um...This is yummy, too!"

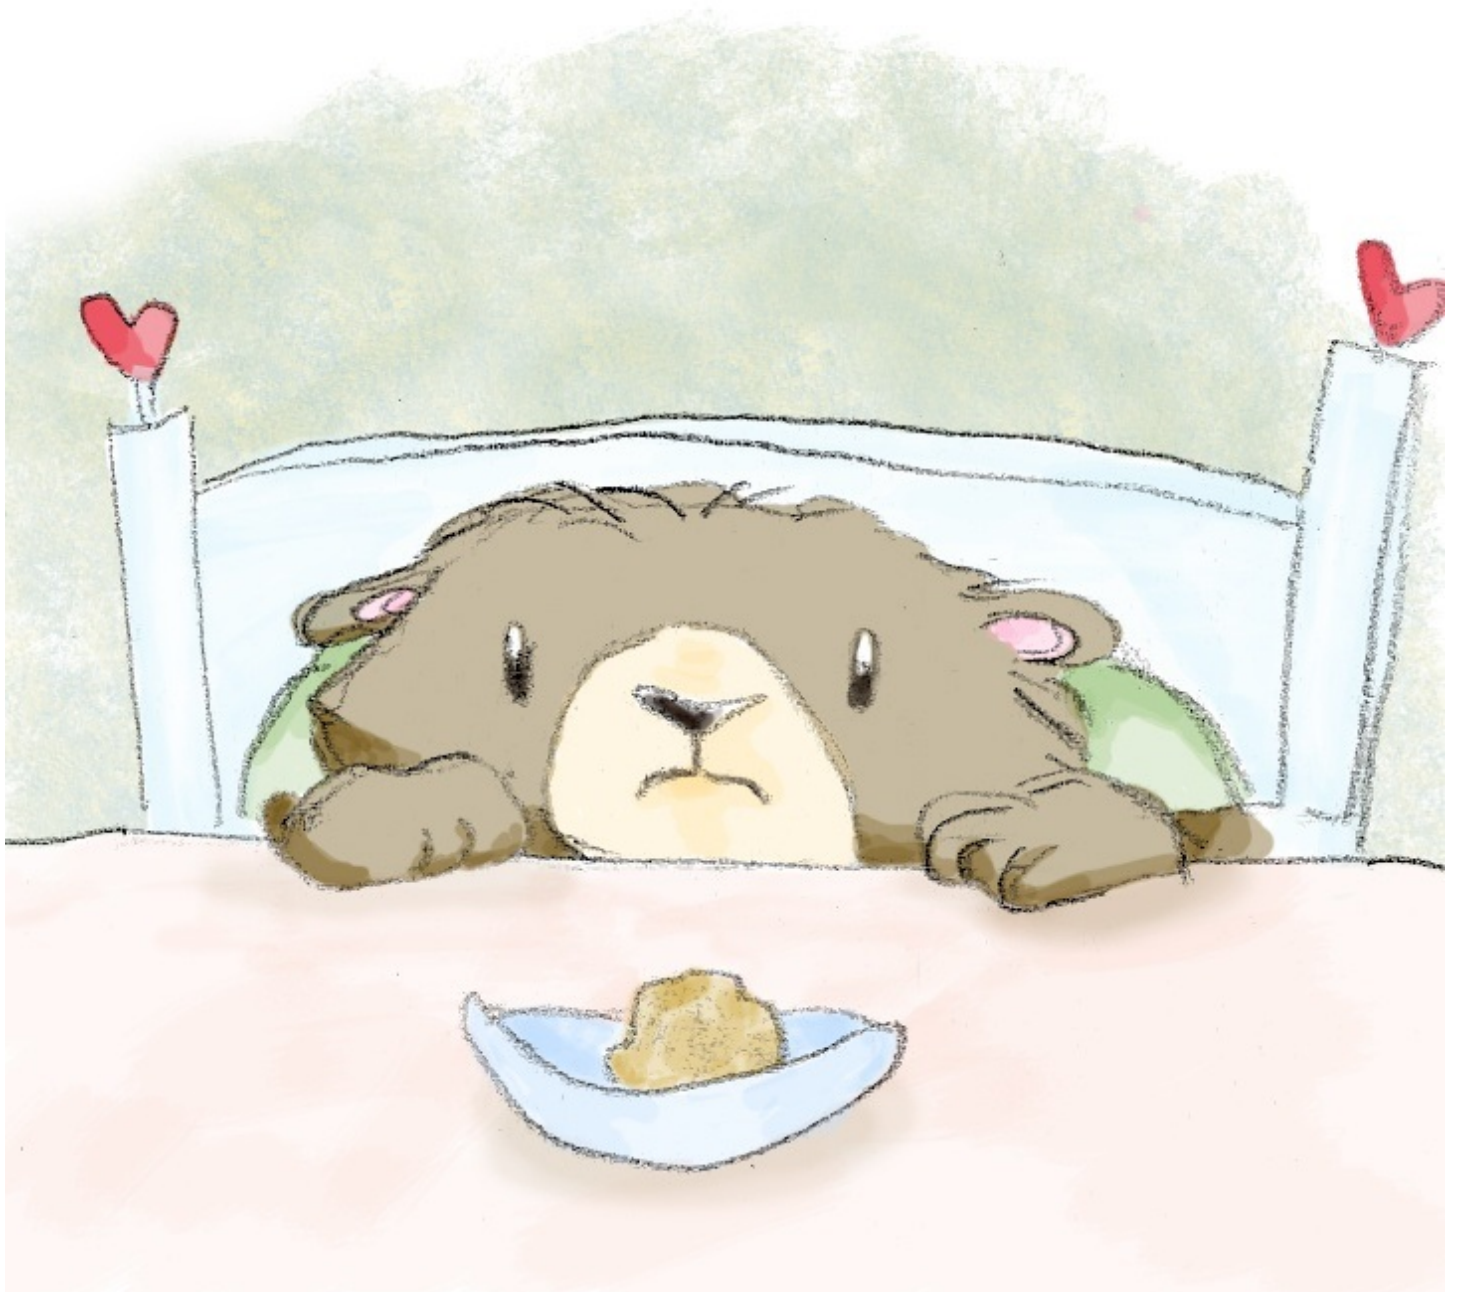

At last 1 cookie was left on his plate.

"I have only 1 cookie."

Beebie felt so sad.

"If I eat it, my cookie will be all gone.

What should I do?"

Beebie had a bite from the last cookie.
"Oh no... it is getting smaller."
Then he had one more bite.
Now half of the last cookie was left.
Beebie felt soooooo sad.
Though he was eating a tasty cookie,
his eyes were full of tears,

Beebie ate up all his cookie with tears.
And he looked at his empty plate,
He was crying and crying...boohool

Mom was surprised and came over to Beebie.

"Hi Beebie, What's wrong?"

Beebie said.

"My cookies are gone."

She asked.

"Did somebody eat up your cookies?"

He said.

"I...I did." And he started to cry again.

Mom thought his answer was funny
and almost started laughing.

Then she said to him.

"I see, your cookies are not gone.

They are in your stomach."

Beebie touched his stomach.

It was soft and fluffy.

It didn't feel like cookies at all!

Mom said to Beebie.

"Your cookies made your hands and legs bigger."

Beebie thought for a while and asked his mom.

"If I eat cookies I will get bigger body, right?"

Mom answered.

"Yes, you will, a little bit."

Beebie heard his mom's words

and thought more and more.

"Will I become a cookie bear?"

Beebie asked to his mom.

Mom smiled and said.

"If you always eat only cookies,
you might be a cookie bear.

So, you had better eat various foods."

Oh No!

I don't want to be a cookie bear!

I must eat various foods!

On the next day,
Beebie got strawberries from his mom.
He didn't cry after he had eat all strawberries.
"Thanks mom! That was so delicious."

The End
